

Doctors Services: three services (**Remote GP, Prescription Services, Legal and Wellbeing Advice Line**) available for all personal protection policyholders at no additional cost.

- 1. Remote GP:** 15-20-minute phone or video appointments with UK doctors, for everyday health advice, diagnosis information, and face-to-face specialist referrals.
- 2. Prescription Services:** prescriptions and sick notes emailed or posted to you, or to your local pharmacy for collection. Medication costs covered by policyholder.
- 3. Legal and Wellbeing Advice Line:** confidential 24/ 7 advice line offering access to legal experts (for general, employment, consumer, property and family law issues), as well as counsellors and clinicians.

Did you know

LV's **Second Opinion Service** will put your case to the most appropriate UK-based specialist (from a database of 5,000) to review your diagnosis, clarify any unanswered questions and help you understand the treatment options available.
