

Helping Hand: all customers have free access to telephone-based guidance from trained nurse advisers, who can make further referrals if required.

Did you know

Royal London's **Hospital Benefit** will pay out £100 per night (after six consecutive nights) if the policyholder is hospitalised due to any illness or injury. This is payable from the seventh night to a maximum of 90 nights during the policy term. Get readmitted to hospital for the same problem and payments will restart.
